

Welcome to the Boston **Queer** Club!

The Boston Queer Club (BQC) is Boston's first ever hub for queer young adult social life delivering on a promise to help people find their community. We are democratizing human connection as event organizers bringing together LGBTQ and allied 18-24 year olds. How we do it: Social Events! Whether it's a comedy show, concert or nightclub, we offer one-of-a-kind entertainment experiences that expose the depth of the queer community and obliges the self to connect with fellow queer Bostonians. We're looking to formalize the team that makes this possible, and that's why we need you!

Joining the Boston Queer Club means more than just becoming part of a team – it means being at the forefront of building something extraordinary. You're not stepping into a well-oiled machine; you're here to help build the machine from the ground up. This is a fun, collaborative, and entrepreneurial environment where creativity and innovation are highly valued. While everyone has their respective roles, every voice matters, and every team member brings unique ideas and perspectives to the table. At BQC, you'll find a vibrant community that celebrates diversity, promotes inclusivity, and encourages bold, unapologetic authenticity. We thrive on collaboration and the shared mission of fostering a supportive and empowering space for queer young adults. Together, we're not just making events; we're creating memorable experiences and a lasting impact on the LGBTQ community in Boston.

Event Volunteer Position

The Boston Queer Club (BQC) is seeking Event Crew Members to join our team. As an Event Crew Member, you will help with setup and cleanup, manage various event stations (such as ticket taking, merchandise booth, and refreshment table, etc.), and represent BQC at each event. You can choose which events you want to participate in. This is a fun and flexible opportunity, primarily for individuals aged 18-24, though all ages are welcome. Crew members will soon receive a uniform to wear at events and work in a dynamic and supportive environment.
